Post Graduation	M.Sc. Nursing - Spc. in MSN, CHN, OBG / MCH, Paediatric, Psychiatric, Neonatal	2- Years	B.Sc. Nursing

Our Nursing course is meticulously designed to prepare students for successful and fulfilling careers in the healthcare industry. The program provides a comprehensive education in both the theoretical and practical aspects of nursing, ensuring graduates are well-equipped to meet the demands of the profession.

Fundamentals of Nursing: Gain a strong foundation in nursing principles, patient care, and clinical skills. **Medical-Surgical Nursing:** Develop expertise in caring for patients with a wide range of medical conditions and surgical needs. **Pediatric Nursing:** Learn specialized care techniques for infants, children, and adolescents. **Maternal and Child Health Nursing:** Focus on the health and well-being of mothers and their children. **Psychiatric Nursing:** Understand mental health conditions and develop skills for providing compassionate psychiatric care. **Community Health Nursing:** Prepare to work in diverse community settings, promoting health and preventing disease on a broader scale. Students gain valuable hands-on experience through clinical rotations in hospitals, clinics, and community health centers. Our on-campus training facilities include state-of-the-art simulation labs that replicate real-world healthcare environments, allowing students to practice and refine their skills in a controlled, supportive setting.

PHARMACY DIVISION

	COURSE	DURATION	ELIGIBILITY
Diploma	D. Pharma. - Diploma in Pharmacy	2- Years	10+2 / Inter (PCB/M)
Degree	B. Pharm. - Bachelor of Pharmacy	4- Years	10+2 / Inter (PCB/M)

Our pharmacy division is dedicated to advancing pharmaceutical education and research, equipping students with the knowledge and skills needed to excel in various roles within the healthcare industry. The curriculum covers essential areas such as pharmacology, medicinal chemistry, pharmaceuticals, and clinical pharmacy. Students benefit from state-of-the-art laboratories, hands-on training, and experiential learning opportunities through internships and clinical placements. Our experienced faculty, coupled with strong industry partnerships, ensure that graduates are well-prepared to meet the evolving challenges of the pharmacy profession, contributing to improved patient care and healthcare outcomes.

Pharmacy offers a diverse and impactful career path within healthcare. Clinical pharmacists are directly involved in managing medication therapy and improving patient health, often working collaboratively with healthcare teams to optimize treatment plans. In community pharmacy, professionals manage prescriptions and provide health advice in retail settings, as well as engage in public health initiatives like immunizations, health screenings, and chronic disease management. Hospital pharmacists handle drug procurement and dispensing, offering specialized pharmacological support in areas such as oncology and critical care. Industrial pharmacists focus on research and development, creating and testing new drugs and therapies, while ensuring pharmaceutical products meet safety and regulatory standards through quality control. Additionally, careers in regulatory affairs involve ensuring compliance regulatory standards and guidelines in pharmaceutical practices.

Empowering Leaders, Shaping Justice

Vision

Ambedkar Law College emphasizes providing a well-rounded education while recognizing the importance of co-curricular and extra-curricular activities in developing thoughtful professionals. Committed to developing leaders with strong morals, the college focuses on strengthening its relationship with the industry. The aim is to groom students into industry-ready professionals by equipping them with cutting-edge technological knowledge, training on the latest market trends, and instilling rich human values to make them socially responsive. Ambedkar Law College consistently uses its funds effectively to provide students with access to high-class infrastructure, brilliant faculty members, and reputed academic and industry partners, creating vast opportunities for their professional growth.

Mission

Ambedkar Law College believes in disseminating legal knowledge in a resourceful way with a view to help in the nation's development. To achieve this objective the College identifies the following steps :

- To evolve and impart comprehensive legal education and to achieve excellence.
- To promote advanced studies and research in all branches of law.
- To sensitize the students of law regarding the various socio-legal issues of the country.
- To inculcate cultural, legal and ethical values with a view to foster the Rule of Law and the objectives enshrined in the Constitution of India.
- To raise legal awareness in the community for a greater social and economic justice.
- To combine quality education with necessary input of practical training.
- To prepare students for a variety of legal and law related careers.

Honorable Justice **Shri Anil Kumar Sinha** High Court, Patna and Honorable Justice Nagendra Prasad, High court, Patna, Inaugurated Moot Court of our Institution. The Guest of Honor, Shri Y.V. Giri, Senior Advocate, High Court, Patna, Chief legal Advisor to the Honorable Governor of Bihar also Senior Adv. Ravi Kumar and Senior Adv. Mahesh Parvat, Patna High Court.

In a work force, a 'Speakers Session' was organised by The Times of India, Patna, in association with Ambodkar Group of Institutions (AGI), for Times Campus Connect 2019. The theme of the session was 'Empowering the Youth'.

Connect series. The theme for the session was, 'Importance of vocational courses and skill-based education'. Students and faculty members of Ambedkar Institute of Higher Education (AIHE), Chhittawan,

Kurkur, A.P.J. Abdul Kalam Business Incubation and Innovation Ltd, providing insights into the concept of start-ups and the role of

Kaushal Kumar, chairman, AGI,

Danagari, participated in the event with fervour and enthusiasm.

Pravir Kumar, director, operations, Vodafone Idea, said, "Language should not be a barrier in a budding digital education."

Having studied in Hindi medium till graduation, I took my first exam in English, while appearing for the MBA entrance test. Lambastha is a secondary issue. One needs to

be in a positive state of mind to excel. The Times of India has organised a very thoughtful event, which is the need of the hour."

Start-ups are the source of new ideas and entrepreneurs, by mentoring and guiding them through training and education."

DK Singh, former director, MSME, Patna, members of CSMU provide assistance to students who want to make a career in small and medium scale industries." Mementos were presented by

Government of India, said, "It is not easy for any government to create jobs at such a large scale, considering the existing

working population, it is time

“A dream becomes a goal when action is taken toward its achievement.”

WELCOME TO THE AMBEDKAR GROUP OF INSTITUTIONS

Twenty five years back the AGI started its journey with a view to provide job oriented courses in Health sector, IT & Social activities. This organization was established as the 'Centre of Excellence' for Medical education at the state and national level through quality approach, professional development and research. During these 25 years the AGI group has expanded its horizons in all sectors of education like Nursing, Pharmacy, Paramedicals, Management, Law and Polytechnic. Our mission is to change the face of education in Bihar through academic excellence and advanced teaching strategies. We plan and endeavour to run other higher and exclusive courses in near future.

We are running colleges at Patna, Sasaram and Daraundha Siwan with excellent infrastructure like spacious lush green campus, airy and well ventilated classrooms with modern acoustics and visual systems like projectors, screen, mikes and speakers & digital boards for smart classes, central libraries with the capacity of over 01 lakh books, thousands of periodicals and case studies, fully equipped laboratories, well maintained computer and language labs with over 200 computers & high WiFi connectivity of 300mbps, big centrally air conditioned auditoriums with the capacity of over 1000 seats. We have students coming from not only distant rural and semi urban areas of Bihar but also from neighbouring states like Jharkhand, West Bengal and U.P. A large number of our alumni have been working at Government and private sectors, Multi-speciality hospitals and physio centres. We have exclusive placement cells at our centres **Ambedkar Institute of Higher Education, Chhitnawa, Danapur, Patna, Aihe Professional Institute, Mathiapur, Patna, Ambedkar College of Education, Dehri, Sasaram and Mamta Institute of Education, Daraudha, Siwan.**

Ambedkar Law College, Danapur, Patna Many highly technical and experienced persons and eminent personalities, standing behind our organization, are working sincerely for the promotion of employment orientation programmes in Bihar so that we can remove unemployment in our youth and provide them self reliance and confidence.

We have an impeccable team of faculty members, who are highly qualified, experienced and come from the cosmopolitan society of our country. We believe and act on three principles of providing education namely Support, Educate and Promote. So we provide both financial and educational support to the students.

We also give rigorous training of personality and soft skills in the most effective way to ensure competence and employability. Finally we try to bring out the best in every individual. With the trust and goodwill of thousands of students and their parents we have been motivated and inspired to introduce our Scholarship scheme on the silver jubilee of our organization.
